Examiner Report of Independent Auditor on the Restated Statement of Assets and Liabilities as at March 31, 2025, March 31, 2024 and March 31, 2023, the Restated Statement of Profit and Loss and the Restated Statement of Cash Flows for the years ended March 31 2025, March 31 2024 and March 31 2023 along with the Restated Statement of Significant Accounting Policies and other explanatory information of **INJECTO POLYMERS LIMITED (Formerly known as INJECTO POLYMERS PRIVATE LIMITED)** and in the periods applicable (hereinafter collectively, the "Restated Financial Statements").

The Board of Directors

INJECTO POLYMERS LIMITED

5th Floor, Room No. 2, Gate No. 3, Poddar Court,
18, Rabindra Sarani, Kolkata, West Bengal-700001

Dear Sirs/ Madams,

1. We Banerjee Sarkar & Co, Chartered Accountants ("we" or "us") have examined the attached Restated Financial Statements of **INJECTO POLYMERS LIMITED (Formerly known as INJECTO POLYMERS PRIVATE LIMITED)** (the "Company"), comprising the Restated Statement of Assets and Liabilities as March 31, 2025, March 31, 2024 and March 31, 2023, the Restated Statement of Profit and Loss, and the Restated Statement of Cash Flows for the years ended March 31, 2025, March 31 2024, and March 31, 2023, and the Statement of Significant Accounting Policies, and other explanatory information relating to such financial periods (collectively, the "Restated Financial Statements"), as approved by the Board of Directors of the Company at their meeting held on September 1'2025 for the purpose of inclusion in the DRHP/ Red Herring Prospectus/Prospectus ("RHP/Prospectus") prepared by the Company in connection with its proposed Initial Public Offer of equity shares ("IPO") prepared in terms of the requirements of:
 - a) The Sub-section (1) of Section 26 of Part I of Chapter III of the Companies Act, 2013 (the "Act");
 - b) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended (the "SEBI ICDR Regulations"); and
 - c) The Guidance Note on Reports in Company Prospectuses (Revised 2019) (as amended) issued by the Institute of Chartered Accountants of India ("ICAI"), as amended from time to time (the "Guidance Note").

Management's Responsibility for the Restated Financial Statements

2. The Company's Board of Directors is responsible for the preparation of Restated Financial Statements for the purpose of inclusion in the offer documents in connection with the

proposed IPO. The Restated Financial Statements have been prepared by the management of the Company in accordance with the basis of preparation stated in Annexure-4 to the Restated Financial Statements. The responsibility of Board of Directors of the Company includes designing, implementing and maintaining adequate internal control relevant to the preparation and presentation of the Restated Financial Information. The Board of Directors are also responsible for identifying and ensuring that the Company complies with the Companies Act, the SEBI ICDR Regulations and the Guidance Note.

Auditor's Responsibilities

3. We have examined the Restated Financial Statements taking into consideration:
- The terms of reference and terms of our engagement agreed upon with Company in accordance with our engagement letter dated July 1, 2025, in connection with the proposed IPO of the equity shares of the Company.
 - The Guidance Note, which also requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
 - The concepts of test checks and materiality to obtain reasonable assurance based on verification of evidence supporting the Restated Financial Information; and
 - Requirements of Section 26 of the Act and the SEBI ICDR Regulations.

Our work was performed solely to assist you in meeting your responsibilities in relation to compliance with the Act, the SEBI ICDR Regulations and the Guidance Note in connection with the IPO.

4. These Restated Financial Information have been compiled by the Management from:

Restated Financial Statements of the Company for the financial years ended March 31, 2025, March 31, 2024 and March 31, 2023 prepared in accordance with Accounting Standards as prescribed under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules 2015, as amended," – after Accounting Standard and other accounting principles generally accepted in India, (the " Audited Financial Statements"), which have been approved by the Board of Directors at their meetings held on September 1, 2025.

5. For the purpose of our examination, we have relied on:

Independent Auditor's report issued by us on the Financial Statements of the Company as at March 31 2025 and "M/s Rathi Nawal & Co." Chartered Accountants ("Firm") on the Financial Statements of the Company as at March 31, 2024 and March 31, 2023 respectively as referred in Para 4(a) above.

Further we Banerjee Sarkar & Co have conducted re-audit of financial statements of the Company for Financial Year 2023-24 and Financial Year 2022-23 as per the requirements of ICDR Regulations.

6. Based on the above and according to the information and explanations given to us, we report that:

- i) The Restated Financial Statements have been prepared after incorporating adjustments for the changes in accounting policies, any material errors and regroupings/reclassifications retrospectively for the years ended March 31, 2025, March 31, 2024 and March 31, 2023 to reflect the same accounting treatment as per the accounting policies and grouping/classifications.
- ii) There are no qualifications in the auditor's reports on the Audited Financial Statements as at and for the years ended March 31, 2025, March 31, 2024 and March 31, 2023 which require any adjustments to the Restated Financial Statements and
- iii) The Restated Financial Statements have been prepared in accordance with the Act including the rules made there under, the SEBI ICDR Regulations, the Guidance Note and engagement letter, we report that:
- a. The **"Restated Summary Statement of Assets and Liabilities"** as set out in **Annexure I** to this report, of the Company as at March 31, 2025, March 31, 2024 and March 31, 2023 are prepared by the Company and approved by the Board of Directors. These Restated Summary Statement of Assets and Liabilities have been arrived at after making such adjustments and regroupings to the individual financial statements of the Company, as in our opinion were appropriate and more fully described in Notes to Accounts.
- b. The **"Restated Summary Statement of Profit and Loss"** as set out in **Annexure II** to this report, of the Company as at March 31, 2025, March 31, 2024 and March 31, 2023, are prepared by the Company and approved by the Board of Directors. These Restated summary Statement of Profit and Loss have been arrived at after making such adjustments and regroupings to the individual financial statements of the Company, as in our opinion were appropriate and more fully described in Notes to Accounts.
- c. The **"Restated Summary Statement of Cash Flow"** as set out in **Annexure III** to this report, of the Company as at March 31, 2025, March 31, 2024 and March 31, 2023, are prepared by the Company and approved by the Board of Directors. These Restated summary Statement of Cash Flow have been arrived at after making such adjustments and regroupings to the individual financial statements of the Company, as in our opinion were appropriate and more fully described in Notes to Accounts.

We have also examined the following other financial information relating to the Company prepared by the management and as approved by the board of directors of the Company and annexed to this report relating to the Company for the financial year ended March 31, 2025, March 31, 2024 and March 31, 2023, proposed to be included in the Draft Prospectus/Prospectus ("**Offer Document**").

The sole objective is to manufacture and supply "Polyolefin (PP/HDPE) based circular woven tape-based sacks required by different industries such as Fertilizers, Cement, Food grains, Sugar, Textiles, Chemicals & Petrochemicals etc.

B. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of preparation of financial statements

The Restated Statement of Assets and Liabilities of the Company as on March 31, 2025, March 31, 2024 and March 31, 2023 and the Restated Statement of Profit and Loss and Restated Statements of Cash Flows for the year ended March 31, 2025, March 31, 2024 and March 31, 2023 and the annexures thereto (collectively, the "Restated Financial Statements") have been compiled by the management from the Audited Financial Statements of the Company for the year ended March 31, 2025, March 31, 2024 and March 31, 2023 approved by the Board of Directors of the Company. Restated Summary Statements have been prepared to comply in all material respects with the provisions of Part I of Chapter III of the Companies Act, 2013 (the "Act") read with Companies (Prospectus and Allotment of Securities) Rules, 2014, Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 ("ICDR Regulations") issued by SEBI and Guidance note on Reports in Companies Prospectuses (Revised 2019) ("Guidance Note"). Restated Summary Statements have been prepared specifically for inclusion in the offer document to be filed by the Company with the SME platform of National Stock Exchange Limited ('NSE EMERGE') in connection with its proposed Initial Public Offer. The Company's management has recast the Financial Statements in the form required by Schedule III of the Companies Act, 2013 for the purpose of restated Financial Statements.

The financial statements of the Company have been prepared and presented in accordance with the Generally Accepted Accounting Principles (GAAP) to comply with the Accounting Standards specified u/s Section 133 read with the relevant provisions of the Companies Act, 2013. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year. Accounting policies not specifically referred to otherwise are consistent and in consonance with generally accepted accounting principles in India

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has determined its operating cycle as twelve months for the purpose of current – noncurrent classification of assets and liabilities.

2. Use of estimates

The preparation of the financial statements in conformity with the generally accepted accounting principles in India (Indian GAAP) requires the management to make estimates and assumptions that affect the reported amount of assets and liabilities as at the balance sheet date, the results of operation during the reported period and disclosure of contingent liabilities as on the reporting date. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable and are in their best knowledge of current event and actions. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise. Significant estimates used by the management in the preparation of these financial statements include provision for employee benefits, estimates of the economic useful life of plant and equipment, provision for expenses, provisioning for taxation etc.

The following significant accounting policies are adopted in the preparation and presentation of these financial statements:

1. Revenue Recognition

- a) Revenue is recognized to the extent that is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.
- b) Revenue from sale of goods is recognized when the significant risk and rewards as well as effective control of the goods usually associated with ownership are transferred to the customers/buyers as per the terms of sale and when there are no unfulfilled obligations. The performance obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms. Revenues are recorded at invoice value. Revenue are stated at net of returns, trade discounts and taxes like GST, TCS, etc.
- c) Income in respect of interest, insurance claims, export benefits, subsidy etc. is recognized to the extent the company is reasonably certain of its ultimate realization. Dividend income, if any is accounted on receipt basis.

2. Inventories

Inventories comprising of raw materials, work in progress and finished goods are valued at lower of cost or net realizable value Cost here represents landed cost including custom duty in case of imports and is net of duty which is cenvatable or refundable. Cost of inventories is determined on FIFO basis. Net realizable value is the estimate of the selling price in the ordinary course of business less further cost expected to be incurred for its completion and disposal. The work in progress and finished goods cost includes mw material cost, variable cost and manufacturing overheads.

3. Foreign Currency Transaction:

- a) Foreign currency transactions are recorded at the exchange rates prevailing on the date of the transaction.
- b) Short term monetary items denominated in foreign currencies (such as cash, receivable, payable etc.) outstanding at the year end, are translated /re-converted at the year-end exchange rate unless covered by a forward contract.
- c) Any gain or loss arising on settlement and/or translation of short-term monetary transaction in foreign currency is accounted for in the statement of Profit and Loss.

4. Employee Benefits

-Defined Benefit Plans

For Defined Benefit Plans, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at the date of each statement of financial position.

The retirement benefit obligations recognised in the statement of financial position represents the present value of the defined benefit obligations reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to the present value of available refunds and reductions in future contributions to the scheme.

5. Borrowing Costs

Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

6. Accounting for Taxes on Income

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

- a) Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.
- b) Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

The carrying amount of deferred tax assets are reviewed at each reporting date. The company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

7. Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

8. Property, Plant and Equipment

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost of acquisition or construction of a property, plant and equipment comprises its purchase price (including import duties and non-refundable purchase taxes after deducting trade discounts, rebates, if any), any costs directly attributable to bringing the property, plant and equipment into the location and condition necessary for it to be capable of operating in the manner intended by management. Borrowing costs directly attributable to acquisition of those fixed assets which necessarily take a substantial period of time to get ready for their intended use are capitalized. Subsequent costs are included in the assets carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the statement of profit and loss during the period in which they are incurred. An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in statement of profit and loss. Capital Assets (Including Expenditure Incurred During the Construction Period) Under Erection / Installation Are Stated in the Balance Sheet As "Capital Work In Progress."

The Company provides depreciation on items of property, plant and equipment on pro rata basis on Straight Line Method (SLM) Method based on useful life per Part C of Schedule II of the Companies Act, 2013, except in following cases where expected useful life of the assets is different from the corresponding life which is duly certified by chartered engineer prescribed as under: :

ASSET	USEFUL LIFE (IN YEARS)
Building	60
Plant & Machinery	15
Furniture & Fixtures	10
Motor Vehicle	8
Office Equipment	5
Computer & Accessories	3

Depreciation amount for asset is the cost of an asset less its estimated residual value. In case of impairment, depreciation is provided on revised carrying amount over its remaining useful life.

9. Intangible assets

Intangible assets are stated at cost of acquisition net of recoverable taxes less accumulated amortisation/ depletion. All costs, including financing costs till commencement of commercial production, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets are capitalised. Amortisation of Intangible assets is calculated on Written down value method at useful life of 10 years.

10. Impairment of assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets' net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

After impairment, depreciation/amortization is provided on the revised carrying amount of the asset over its remaining useful life.

11. Depreciation on Plant, Property and Equipment

Based on management's evaluation, useful life prescribed in Schedule II of the Companies Act, 2013, represent actual useful life of property, plant and equipment.

The depreciation charge for each year is recognized in the Statement of Profit and Loss, unless it is included in the carrying amount of any other asset.

The Company has adopted Schedule II to the Companies Act, 2013 which requires identification and determination of separate useful life for each major component of the property, plant and equipment, if they have useful life that is materially different from that of the remaining asset. (Component Accounting).

Depreciation on addition to tangible assets is provided on pro-rata basis from the date the assets are ready for intended use. Depreciation on sale/discard from tangible assets is provided for up to the date of sale, deduction or discard of tangible assets as the case may be.

The useful life, residual value and the depreciation method are reviewed at least at each year end. If the expectations differ from previous estimates, the changes are accounted for prospectively as a change in accounting estimate.

10. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized only when there is a present obligation as a result of past events and when a reliable estimate of the amount of obligation can be made.

Contingent Liability is disclosed for:

- a) Possible obligation which will be confirmed only by future events not wholly within the control of the Company, or
- b) Present obligations arising from the past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.
- c) A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.
- d) Contingent Assets are not recognized in the financial statements since this may result in the recognition of income that may never be realized.

11. Borrowing Costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs that are directly attributable to the acquisition, construction or production of an asset that takes a substantial period of time to get ready for its intended use or sale are capitalized until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognized as expenditure in the period in which they are incurred.

12. Retirement and other employee benefits

Defined contribution plan

Provident Fund: Contribution towards provident fund is made to the regulatory authorities, where the Group has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Group does not carry any further obligations, apart from the contributions made on a monthly basis which are charged to the Statement of Profit and Loss.

Employee's State Insurance Scheme: Contribution towards employees' state insurance scheme is made to the regulatory authorities, where the Group has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Group does not carry any further obligations, apart from the contributions made on a monthly basis which are charged to the statement of profit and loss.

Defined Benefit Plan- Gratuity

The Group provides for retirement benefits in the form of Gratuity. Benefits payable to eligible employees of the Group with respect to gratuity, a defined benefit plan is accounted for on the basis of an actuarial valuation as at the Balance Sheet date. In accordance with the Payment of Gratuity Act, 1972, the plan provides for lump sum payments to vested employees on retirement, death while in service or on termination of employment an amount equivalent to 15 days basic salary for each completed year of service. Vesting occurs upon completion of five years of service. The present value of such obligation is determined by the projected unit credit method and adjusted for past service cost and fair value of plan assets as at the balance sheet date through which the obligations are to be settled. The resultant actuarial gain or loss on change in present value of the defined benefit obligation or change in return of the plan assets is recognized as an income or expense in the Statement of Profit and Loss.

13. Cash and cash equivalents

Cash and cash equivalents include cash in hand, demand deposits with banks, other short term highly liquid investments with original maturities of three months or less.

14. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and

item of income or expenses associated with investing or financing cash flows, Cash flows from operating, investing and financing activities of the Company are segregated, accordingly.

C. CHANGES IN ACCOUNTING POLICIES

There were no changes in the accounting policies adopted by the Company during the period under review, which needs to be adjusted in the Restated Financial Statements.

D. RELATED PARTY DISCLOSURES

Related party transactions are reported as per Accounting Standards-18 (AS-18), issued by the Institute of Chartered Accountants of India and as notified by the Companies (Accounting Standards) Rules, 2006, as amended as notes to as part of Annexure-V of the Restated Financial Statements.

E. DISCLOSURE OF EMPHASIS OF MATTER/QUALIFICATION

There was no matter of emphasis or qualifications reported by the earlier Statutory Auditors in the financial statements of the Company for the earlier years audited by them for or the present Peer Reviewed Auditors of the Company on the financial statements reviewed and audited by them as per the requirements of SEBI (ICDR) Regulations, 2018, which has an impact on the financial statements. Hence, no adjustments are required in the restated financial statements.
